## **The way in:**

The building front door is open during normal office hours (Mon-Fri, say 9:30am to 4:30pm). Use the door with the Melb PC sign just inside foyer and go up the stairs to the first floor. For all hours access use the lift or stairs in the basement car park. Disabled carparking and access is also available from the basement car park to the first floor, daytime & evening. Access to the basement car park is via the driveway.

*Our Clubrooms are opposite Bunnings in Warrigal Road.*

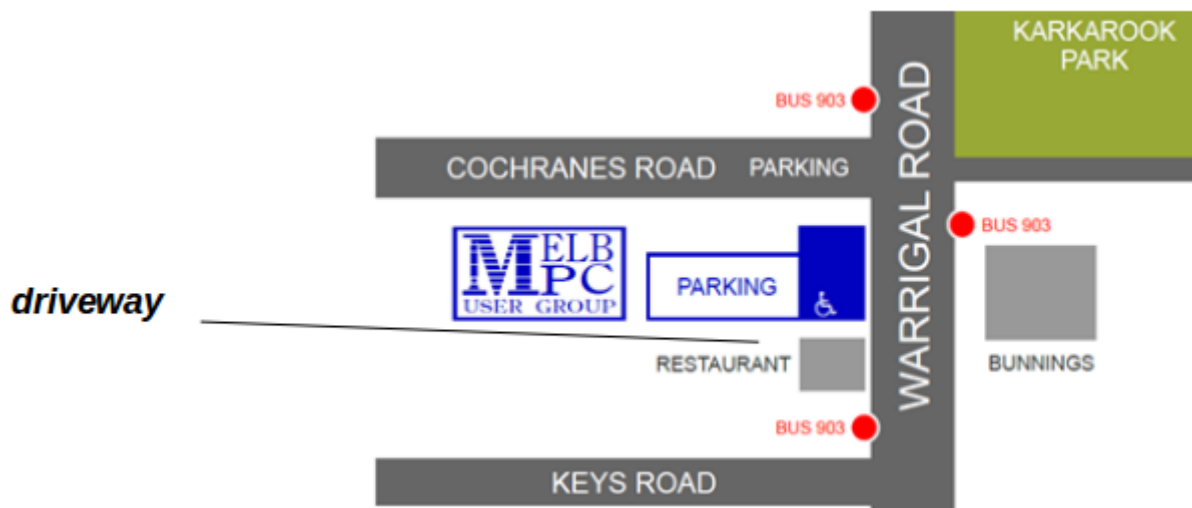

## **Arriving by car:**

Go down the driveway. Free parking is in the big car park (not in a reserved bay) behind the two front buildings shown in the photo. Walk back along the drive, and turn left (north) to enter the car park underneath our building. Take the lift (or stairs) to Level-1. Parking is also available nearby in Cochranes Road.

## **Arriving by Public Transport:**

We are 5.3 km from Mentone Railway Station and 5.2 km from Oakleigh Railway Station, both of which have Bus-stops at the station. We are on Bus-route 903 (for route and timetable, see: [903 timetable at Public Transport Victoria](#) ).

The nearest bus-stops to us are on Warrigal Road, just north of our building (for both north-bound and south-bound buses – see map below). Walk down the driveway. Take the first turn right (north) to enter the car park underneath our building. Take lift (or stairs) to Level-1.
