East Workshop SIG

The East Workshop has been set up to assist members with their computer hardware and software problems.

Visitors are welcome to attend and discuss their computer problems but, due to insurance limitations, we are unable to do any work on their computer

Date: Second Sunday of the month, except January, Easter Sunday (if relevant) and May (Mother's Day).
Time: 10:00 am start. Finish 12 noon.

If you want help solving your computer problem it is recommended that you bring along your computer and all peripherals plus any software disks in case we need to reinstall programs, download the Release Form (see WS Reg Form in Menu to right), complete the details, email to eastwsh@melbpc.org.au and bring it to the workshop and arrive before 10:30am, to allow maximum time to complete any necessary work before noon.

Conveners: **Paul Woolard 0417 566 209**

John Swale 0417 530 766
