Come to our **Music SIG** & have a great time.

- We are here for anyone who likes to make or hear music.
- Beginners & professionals included, we encourage everyone to participate.
- Our meetings are informal, & our priority is musical pleasure.
- Each month, we present topics of special interest, software, hardware, useful web sites & references.
- We usually play some music too, often a favourite or personal creation.
- Bring your own instruments and we will have a jam.

See you there !!!

We meet at MelbPC's Moorabbin HQ , every 3rd Thursday of the month, from 7:30 – 9:30 pm. Often we run a bit

longer depending on the night.

Here are our future events that are planned.
